Dear Congressman,

Thanks for your letter of August 30 and the invitation.

Unless I hear otherwise from you, I'll be in your office about noon 9/13.

If there are no major interruptions, by then I will have drafted the balance of my writing on that part of this subject.

I may by then also have a little more material not now available. I have reason to expect it.

If the Parallax edition of my only completed but unpublished work is available by then, I'll bring a copy. If it is not and I fail to mention it then, one will be mailed you from New York when they have copies. Should you require additional copies, Peter Workman, Parallax Press, 231 East 51, will have them and will be happy to supply them.

I am looking forward to our meeting.

Sincerely,

Harold Weisberg
